DETAILED ACTION

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 20 January 2006 has been entered.

Allowable Subject Matter

2. Claim 29 and 35-46 are allowed.

3. The following is an examiner's statement of reasons for allowance:

Although, the best prior art of the record to Good teach the automated identification and measuring system, however, Good and Moed taken alone or in combination of other references, fail to specifically teach or fairly suggest that the automated identification and measuring system comprises a orientation means for determining an orientation of each objects on the transport means using the positional information and information capture means for obtaining information from each object wherein the image capture means includes a plurality of scanning means where each scanning means is simultaneously focused based on the orientation of the objects on the transport means as set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
